

**REVIEWER ACKNOWLEDGEMENT**

**Open Access**

# Thanks to all those who reviewed for *Pilot and Feasibility Studies* in 2015

Gillian A. Lancaster

## Contributing reviewers

A peer-reviewed journal would not survive without the generous time and insightful comments of the reviewers, whose efforts often go unrecognized. Although final decisions are always editorial, they are greatly facilitated by the deeper technical knowledge, scientific insights, understanding of social consequences, and passion that reviewers bring to our deliberations. For these reasons, the Editor-in-Chief and staff of *Pilot and Feasibility Studies* warmly thank the 115 reviewers whose comments helped to shape the journal, for their invaluable assistance with the review of manuscripts Volume 1 (2015).
